

THE WILMINGTON  
SAVINGS FUND SOCIETY,  
WM. M. CANBY, PRESIDENT.  
J. E. SMITH, SECRETARY.  
OFFICE NO. 730 MARKET ST.,

Wilmington Del. Nov. 6<sup>th</sup> 1854

My Dear Dr. Fay

I have yours of 4<sup>th</sup> inst  
with enclosures.

Evidently Fendler's autobiography  
should be the basis of anything publish-  
ed about him; and if ~~that~~ lengthened  
some might as well go in. To the whole  
thing had better be revised after you  
hear from Port of Spain.

Your precious time ought not  
to be taken up in mere copying. Suppose,  
between now and the time you hear from  
Invidad, you look over Fendler's letters to  
you and mark such extracts as you think  
should be made. I will copy these and  
string the whole thing out and send to  
you to attend, add to, amend, &c, as you

may think best; and to publish.

I return Eaton's letter retaining the  
autobiography for a short time.

Ever sincerely  
Yours

J. M. Marby
